

## Preliminary Map Survey: Due Tuesday, September 10th

As we will be working with Rebecca Solnit's *Infinite City* throughout the semester, you should leave this course with a deep appreciation of the resources of this text. To prepare for our various encounters with her work, please look through the book, and read the 22 map synopses in their entirety. When you have finished, please list the three maps which most interest you, and say a word or two about why they do so.

Please list them in this order:

1. Favorite

2. Second favorite

3. Third favorite

**Be sure to include your name with your response!**
